

Factory Operative

Description

Fire Glass UK Ltd is one of the UK's leading manufacturers, suppliers, and glaziers of fire and acoustic glass, and is looking to appoint a full-time Factory Operative at their Midlands Branch.

The job will include heavy lifting, manual handling, and the ability to work to tight deadlines.

The successful applicant would also receive training in different aspects of the glass trade with the opportunity to learn a new skill set and progress within the company.

At Fire Glass UK, we are committed to fostering a culture that celebrates diversity, equity, and inclusion. We believe that diverse perspectives and experiences drive innovation and creativity, and we are dedicated to creating an inclusive environment where all employees feel valued, respected, and empowered.

We welcome applicants of all backgrounds, identities, and abilities. Our hiring decisions are based on qualifications, merit, and business needs. We strive to remove barriers to employment and provide equal opportunities for advancement and growth within our company.

As an organization, we actively work to challenge bias and discrimination in all its forms. We are committed to continuous learning and improvement, ensuring that our policies, practices, and programs promote diversity, equity, and inclusion at every level.

Join us in our mission to build a workplace where everyone feels they belong, where their differences are celebrated, and where they can thrive personally and professionally.
